# Practice Essentials

# The Klaire Labs® Story

**According to all who knew her, Claire Farr was a tireless crusader, genuine humanitarian, and dynamic entrepreneur with a “commitment to excellence for the nutritionally aware.”**

In 1969, driven by a personal struggle with severe food allergies and environmental sensitivities, Claire Farr set out on a mission to formulate and manufacture the highest quality, hypoallergenic nutritional supplements possible. As many dedicated entrepreneurs do, Claire set up shop in her own home in Carlsbad, California, and Klaire Labs was born.

In her quest to develop a line of nutraceuticals that sensitive individuals could reliably tolerate, Claire initially focused on single-ingredient formulations. Unlike most nutritional supplement manufacturers at the time, Claire purchased only pharmaceutical-grade raw ingredients selected specifically for maximum purity and bioavailability. She avoided the use of fillers and synthetic ingredients, while focusing on natural and synergistic constituents. The medical community began to take notice.

By this time, demand was growing for environmental, nutrition-focused, and integrative medical practitioners. As such, Claire and her unique products gained the attention and respect of a number of prestigious complementary medicine proponents. Word of Claire's consistently reliable outcomes spread, allowing her home-based start-up to grow into a new manufacturing facility and expanding her capabilities to include bottling and custom formulations. It was not until 1983 that Claire introduced her first probiotic, a product category that ultimately became her most successful. Klaire Labs' Ther-Biotic® formulations remain a leading professional brand to this day.

In 2004, Klaire Labs was sold to ProThera®, Inc. ProThera, Inc. was in turn acquired by Soho Flordis International (SFI®) in 2013. SFI's philosophy to empower healthcare providers with better, natural options aligned quite naturally with that of Claire Farr. Having dedicated their lives' work to similar goals, the SFI founders represented a renewed commitment to, and a tangible investment in, Claire's founding principles.

In 2017, SFI USA (comprised of the three originating companies: ProThera, Inc., Klaire Labs, and Complementary Prescriptions™) christened a new >75,000 square foot, state-of-the-art manufacturing facility, including expanded scientific and support resources, advanced quality tools, and modernized processes.

Although SFI has acquired several exceptionally discriminating, independent nutraceutical manufacturers across the globe in recent years, shared values are the common thread. In the spirit of honoring the past as we embrace the future, all products manufactured at SFI USA in Reno, Nevada, are now unified under the Klaire Labs brand and guiding philosophy.

# Probiotics

## Ther-Biotic® Complete

Our most comprehensive, maximum-support probiotic formula

Ther-Biotic Complete is a robust, broad-spectrum, hypoallergenic blend of 12 probiotic species in a base of inulin. Designed to supply a complete component of synergistic and complementary species, each capsule provides 25 billion CFU, and each 0.25 teaspoon (1 gram) provides 100 billion CFU, protected by our proprietary InTactic® technology for maximum viability throughout the intestinal tract.

- Maximum probiotic support with colonizing and transient strains
- Clean and hypoallergenic for optimal results
- Available in 25B CFU capsules or 100B CFU powder

### Capsules

**SUGGESTED USE: Adults:** 1 capsule daily with food or as directed by a healthcare professional. **Children:** As directed by a healthcare professional.

#### Supplement Facts

Serving Size 1 Capsule

Amount Per Capsule		% Daily Value
Probiotic Blend (25 billion CFU) in a base of inulin (derived from chicory root)	280 mg	*
<i>Lactobacillus rhamnosus</i>	6.0 billion CFU	*
<i>Bifidobacterium bifidum</i>	5.0 billion CFU	*
<i>Lactobacillus acidophilus</i>	3.0 billion CFU	*
<i>Lactobacillus casei</i>	2.5 billion CFU	*
<i>Lactobacillus plantarum</i>	2.0 billion CFU	*
<i>Lactobacillus salivarius</i>	2.0 billion CFU	*
<i>Bifidobacterium longum</i>	1.0 billion CFU	*
<i>Streptococcus thermophilus</i>	1.0 billion CFU	*
<i>Lactobacillus bulgaricus</i>	1.0 billion CFU	*
<i>Lactobacillus paracasei</i>	0.5 billion CFU	*
<i>Bifidobacterium lactis</i>	0.5 billion CFU	*
<i>Bifidobacterium breve</i>	0.5 billion CFU	*

\*Daily Value not established.

Other ingredients: Vegetarian capsule (hydroxypropyl methylcellulose, water), InTactic® proprietary polysaccharide complex, and L-leucine.

**V775-06 60 vegetarian capsules**

**V775-12 120 vegetarian capsules**

### Powder

**SUGGESTED USE: Adults:** 1/4 teaspoon daily with food or as directed by a healthcare professional. **Children:** As directed by a healthcare professional.

#### Supplement Facts

Serving Size 1/4 Teaspoon (Approx. 1 gram) • Servings Per Container 60

Amount Per 1/4 Teaspoon		% Daily Value
Probiotic Blend (100 billion CFU) in a base of inulin (derived from chicory root) and InTactic® proprietary polysaccharide complex	1 g	*

## Ther-Biotic® Children's Chewable

### High-CFU, multispecies chewable probiotic

Ther-Biotic Children's Chewable is a broad-spectrum, hypoallergenic probiotic supplement designed for children 2 years of age and older. Our 25 billion CFU formulation, in a base of inulin, contains 8 total *Lactobacillus* and *Bifidobacterium* species which have been intensively researched and clinically shown to support gastrointestinal health and immune function in children.<sup>†</sup> The pleasant, natural flavor makes daily supplementation easy.

- Broad-spectrum gastrointestinal and immune support<sup>†</sup>
- Potent daily 25B CFU probiotic blend for anyone preferring a chewable option
- Sweet, natural flavor is ideal for children

**SUGGESTED USE:** For children 2 years of age and older: Chew 1 tablet daily, preferably 30 to 60 minutes following a meal or as directed by a healthcare professional. Not recommended for children less than 2 years of age.

### Supplement Facts

Serving Size 1 Tablet

Amount Per Tablet	% Daily Value
Probiotic Blend (25 billion CFU in a base of inulin (derived from chicory root))	224 mg *
<b>Lactobacillus species</b>	17 billion CFU *
<i>Lactobacillus rhamnosus</i>	
<i>Lactobacillus casei</i>	
<i>Lactobacillus salivarius</i>	
<i>Lactobacillus paracasei</i>	
<b>Bifidobacterium species</b>	8 billion CFU *
<i>Bifidobacterium infantis</i>	
<i>Bifidobacterium bifidum</i>	
<i>Bifidobacterium longum</i>	
<i>Bifidobacterium breve</i>	

\*Daily Value not established.

Other ingredients: Xylitol, natural cherry flavor, natural vanilla flavor, silicon dioxide, stearic acid, magnesium stearate, and natural licorice extract.

### K-TCC 60 chewable tablets

The Ther-Biotic line consists of additional products for specific health needs, including:

#### Ther-Biotic® Infants

Ther-Biotic Infants is a 10-species probiotic blend designed to safely meet the metabolic, intestinal, and immune-support needs of infants and young children.<sup>†</sup> This formula supports a normal infant microbiota that can be easily disrupted by cesarean section delivery, formula feedings, medications, environmental exposures, or maternal diet.<sup>†</sup>

#### K-TIF 2.33 oz. (66 grams) powder

#### Ther-Biotic® Senior Formula

This synergistic blend of 10 probiotic species in a base of inulin is designed to support a balanced and diverse microbiota, as well as normal gastrointestinal and immune function for individuals over 60 years of age.<sup>†</sup>

#### K-TSR 60 vegetarian capsules

#### Ther-Biotic® Metabolic Formula

Ther-Biotic Metabolic Formula is a blend of 7 select probiotic species in a base of cellulose, designed to increase intestinal diversity and support healthy metabolism and weight management.<sup>†</sup>

#### K-MBS 60 vegetarian capsules

#### Ther-Biotic® Women's Formula

Ther-Biotic Women's Formula is a hypoallergenic blend of 10 species specifically designed to support a woman's genitourinary system.<sup>†</sup> Lactobacilli modulate the mucosal immune response to undesirable microorganisms, secrete biosurfactants to block their adherence and disrupt biofilm formation, and produce lactic acid to promote a healthy vaginal pH.<sup>†</sup>

#### K-TWF 60 vegetarian capsules

#### Ther-Biotic® Detoxification Support

Ther-Biotic Detoxification Support is a concentrated, 3-species blend specifically designed to complement detoxification protocols.<sup>†</sup> Selected species support endotoxin digestion and toxin uptake reduction through tight junction intestinal barrier support.<sup>†</sup>

#### V770-06 60 vegetarian capsules

<sup>†</sup>These statements have not been evaluated by the Food and Drug Administration. These products are not intended to diagnose, treat, cure, or prevent any disease.

# Digestive Enzymes

## Vital-Zymes

### Multi-enzyme supplement for extensive digestive support<sup>†</sup>

Our bestselling, multi-enzyme formulation offers a comprehensive range of microbial-derived enzymes that work in concert to support normal enzyme activities such as macronutrient digestion, microbiota balance, and inflammation metabolism.<sup>‡</sup> The broad-spectrum combination of enzymes in Vital-Zymes supports the complete breakdown, absorption, and utilization of macronutrients from a wide spectrum of foods, including proteins and peptides, complex carbohydrates, disaccharides and sugars, lipids/fats, and vegetable fibers.<sup>‡</sup> As such, Vital-Zymes is an important dietary adjunct for individuals who seek to improve nutrient uptake and for those with occasional indigestion resulting in gas and bloating.<sup>‡</sup>

### Capsules

**SUGGESTED USE:** 2 capsules at the beginning of each meal or as directed by a healthcare professional.

Supplement Facts		
Serving Size 2 Capsules		
Amount Per 2 Capsules	% Daily Value	
<b>Comprehensive Enzyme Blend</b>	<b>800 mg</b>	<b>*</b>
With the following enzyme activity:		
<b>Carbohydrate Specific Enzymes</b>		
Amylase	1,830 BAUΔ	
Alpha-Amylase	100 DUΔ	
Glucoamylase (with isomaltase side chain activity)	30 AGUΔ	
<b>Sugar Specific Enzymes</b>		
Lactase	1,500 ALUΔ	
Sucrase (invertase)	400 SUΔ	
Maltase (diastase)	200 DP <sup>‡</sup> Δ	
Pullulanase (debranching enzyme with isomaltase side chain activity)	25 UA	
<b>Vegetable/Plant Fiber Specific Enzymes</b>		
Cellulase	500 CUΔ

# Healthy Fats

## Eicosamax® TG

### Ultra-pure, sustainable fish oil

The Klaire Labs' Eicosamax® TG line of essential fatty acids provides concentrated triglyceride-form omega-3 EPA, and DHA derived from fish oil. Omega-3 fatty acids are often called “good fats” due to the numerous roles they play in supporting health, including supporting a balanced inflammatory response, assisting triglyceride metabolism, and supporting heart, joint, skin, brain, and nerve function.<sup>†</sup>

Each batch of Eicosamax® TG is responsibly and sustainably harvested and independently tested for mercury, pesticides, and PCBs to assure exceptional oil purity. Anaerobic bottling, natural lemon flavoring, as well as added mixed tocopherol antioxidants protect against oxidation, maintain product freshness, and ensure a fresh, non-fishy taste.

### Softgels

**SUGGESTED USE:** 1 softgel, 1 to 3 times daily with food or as directed by a healthcare professional.

#### Supplement Facts

Serving Size 1 Softgel

Amount Per Softgel	% Daily Value	
Calories	10	
Calories from Fat	10

# Vitamins & Minerals

## MultiThera® 1 Capsule Formula

### Comprehensive micronutrient essentials, iron-free

MultiThera is a complete multivitamin and mineral supplement containing over 30 essential nutrients in the clinically meaningful amounts and ratios. Each formulation was developed based on scientific evidence, clinical research, and bioavailability, with specific attention to safety, efficacy, and clean and hypoallergenic label claims. The 1:1 calcium to magnesium ratio, high amounts of vitamins E, C, D<sub>3</sub>, and B-complex, bioactive forms of folate and vitamin B<sub>12</sub>, extra pantothenic acid for adrenal support,<sup>†</sup> and a full complement of trace elements distinguish this formula from ordinary multiple vitamins. Copper is included to support SOD antioxidant enzyme activity and to maintain a healthy balance with zinc. A clear, easy-to-swallow, water-soluble cellulose coating protects ingredient stability, and each batch is tested to USP standards for capsule disintegration and bioavailability.

This iron-free formula option is suitable for most adults. MultiThera 1 is especially recommended for men, postmenopausal women, and women with light or normal menstrual flow who may not need supplemental iron.

**SUGGESTED USE:** Adults: 6 capsules with food or as directed by a healthcare professional. Children 4 to 14 years: Take up to 3 capsules daily. Children less than 4 years of age: As directed by a healthcare professional.

## Supplement Facts

Serving Size 6 Capsules

Amount Per 6 Capsules	% Daily Value	Amount Per 6 Capsules	% Daily Value
Vitamin A (64% (1,500 mcg RAE) as natural carotenes (beta-carotene, alpha-carotene and beta-cryptoxanthin) from <i>D. salina</i> and 36% (750 mcg RAE) as vitamin A palmitate)	2,250 mcg RAE 250%	Magnesium (75% as dimagnesium malate complex and 25% as TRAACS <sup>®</sup> magnesium bisglycinate chelate <sup>††</sup> )	250 mg 60%

## Vitamins & Minerals (cont)

### Vitamin D<sub>3</sub> (5,000 IU)

#### High-potency D<sub>3</sub> support for musculoskeletal, cardiovascular, and immune health<sup>†</sup>

Given that inadequate vitamin D intake is so commonplace, nutritional supplementation plays an important health role for many patients. Beyond calcium absorption and bone health, vitamin D<sub>3</sub> supports many important physiologic roles, including inflammation modulation, neuromuscular function, immune cell signaling, cognitive performance, healthy glucose levels, and cell growth and differentiation.<sup>†</sup>

**SUGGESTED USE:** 1 capsule daily with food or as directed by a healthcare professional.

Supplement Facts		
Serving Size 1 Capsule		
Amount Per Capsule		% Daily Value
Vitamin D <sub>3</sub> (as cholecalciferol)	125 mcg	625%

Other ingredients: Microcrystalline cellulose, vegetarian capsule (hydroxypropyl methylcellulose, water), cellulose, L-leucine, and silicon dioxide.

#### VTD5 100 capsules

### Vitamin D<sub>3</sub> Liquid (5,000 IU)

#### High-potency D<sub>3</sub> support in a convenient liquid form

Vitamin D<sub>3</sub> offers a broad range of health benefits beyond its role in bone health, as it may positively impact heart and arterial health, immune system function, maintenance of healthy glucose levels, and cognitive performance when incorporated as part of the diet.<sup>†</sup> Each 1 mL dropper provides 5,000 IU of vitamin D<sub>3</sub>, formulated in hypoallergenic, easy-to-absorb medium chain triglyceride (MCT) oil. Vitamin D<sub>3</sub> Liquid is ideal for individuals who prefer liquid over capsule configuration.

**SUGGESTED USE:** 1 dropperful (1.0 mL) daily or as directed by a healthcare professional.

Supplement Facts		
Serving Size 1 Dropperful (Approx. 1 mL) • Servings Per Container 120		
Amount Per 1 Dropperful		% Daily Value

Calories from Fat	10	
Total Fat	1 g	1%**
Saturated Fat	1 g	5%**
Vitamin D (as cholecalciferol)	125 mcg	625%

\*\*Percent Daily Values are based on a 2,000 calorie diet.

Other ingredients: Medium chain triglycerides (MCT Oil).

#### CP3095 4 fluid oz. (120 mL)

### Vitamin K<sub>2</sub>

#### Natural source as MK-7

Recent research indicates several important functions for vitamin K beyond its role in blood coagulation, including benefits for bone health and vascular function.<sup>†</sup> This formulation supplies natural vitamin K<sub>2</sub>, also known as menaquinone-7 (MK-7), which has the longest half-life in the body compared to other forms of vitamin K. The vitamin K<sub>2</sub> extract is free of soy protein for maximum tolerance by those sensitive to soy.

**SUGGESTED USE:** 1 capsule daily with food or as directed by a healthcare professional.

Supplement Facts		
Serving Size 1 Capsule		
Amount Per Capsule		% Daily Value
Vitamin K <sub>2</sub> (as menaquinone-7)	50 mcg	42%

Other ingredients: Cellulose, vegetarian capsule (hydroxypropyl methylcellulose, water), L-leucine, and silicon dioxide.

#### VK2 60 vegetarian capsules

## Active B Complex™

### Optimal support directly usable by the human body

Active B Complex supplies a full complement of high-potency essential B vitamins in their coenzyme forms, providing optimal support directly usable by the human body. Methylcobalamin requires no conversion in order to act as a metabolic cofactor and thus may be a superior choice for individuals wishing to improve absorption, blood transport, and cellular utilization of vitamin B<sub>12</sub>.† Inclusion of Metafolin® L-5-methyltetrahydrofolate (L-5-MTHF), a reduced and bioactive form of folic acid, ensures more immediate effects on metabolism.† Benfotiamine, the lipid-soluble form of B<sub>1</sub>, is also included, together with active forms of B<sub>2</sub> (as riboflavin 5'-phosphate) and B<sub>6</sub> (as pyridoxal 5'-phosphate).

**SUGGESTED USE:** 1 capsule daily with food or as directed by a healthcare professional.

Supplement Facts		
Serving Size 1 Capsule		
Amount Per Capsule	% Daily Value	
Thiamin (as benfotiamine)	50 mg	4,167%
Riboflavin (as riboflavin 5'-phosphate)	20 mg	1,538%
Niacin (67% as niacinamide and 33% as niacin)	60 mg NE	375%
Vitamin B <sub>6</sub> (as pyridoxal 5'-phosphate)	20 mg	1,176%
Folate (as Metafolin® L-5-methyltetrahydrofolate)	680 mcg DFE (400 mcg)	170%
Vitamin B <sub>12</sub> (as methylcobalamin)	500 mcg	20,833%
Biotin (as D-biotin)	300 mcg	1,000%
Pantothenic Acid (as calcium D-pantothenate)	50 mg	1,000%

Other ingredients: Vegetarian capsule (hydroxypropyl methylcellulose, water), microcrystalline cellulose, ascorbyl palmitate, and silicon dioxide.

†Metafolin® is a registered trademark of Merck KGaA, Darmstadt, Germany.

### ABC 60 capsules

## Active B Trio™

### Activated B12, folate, and B6

Active B Trio supplies bioactive forms of three essential B vitamins—vitamin B<sub>12</sub>, ascorbyl palmitate, folate, and vitamin B<sub>6</sub>—in small, easy-to-swallow capsules.

The bioactive form of folate L-5-methyltetrahydrofolate (L-5-MTHF) is included, requiring no additional metabolic steps to be used directly by the body. Ideal for women, children, and those with absorption issues or single nucleotide polymorphisms (SNP) that affect folate conversion. Methylcobalamin, a coenzyme form of vitamin B<sub>12</sub>, supports optimal B<sub>12</sub> absorption and bioavailability. Pyridoxal 5'-phosphate is the coenzyme form of vitamin B<sub>6</sub>, used in more than 50 different metabolic steps.

Active B Trio supports healthy methylation, DNA biosynthesis, neurological function, homocysteine metabolism, red blood cell and neurotransmitter production, and fatty acid metabolism.†

**SUGGESTED USE:** 1 capsule daily with food or as directed by a healthcare professional.

Supplement Facts		
Serving Size 1 Capsule		
Amount Per Capsule	% Daily Value	
Vitamin B <sub>6</sub> (as pyridoxal 5'-phosphate)	25 mg	1,471%
Folate (as Metafolin® L-5-methyltetrahydrofolate)	1,360 mcg DFE (800 mcg)	340%
Vitamin B <sub>12</sub> (as methylcobalamin)	1,000 mcg	41,667%

Other ingredients: Vegetarian capsule (hydroxypropyl methylcellulose, water), microcrystalline cellulose, L-leucine, and silicon dioxide.

†Metafolin® is a registered trademark of Merck KGaA, Darmstadt, Germany.

## Vitamins & Minerals (cont)

### Magnesium Chelate Powder

#### Biglycinate chelated magnesium in fast-dissolving powder

This convenient powder contains magnesium bisglycinate chelate, a highly bioavailable magnesium that is well-tolerated by even the most sensitive individuals. It mixes easily in water or juice and dissolves rapidly and completely. No flavors or sweeteners are added.

**SUGGESTED USE:** 1 scoop, 1 to 2 times daily mixed with water, juice, food, or as directed by healthcare professional.

Supplement Facts		
Serving Size 1 Scoop (Approx. 2.5 grams) • Servings Per Container 120		
Amount Per Scoop		% Daily Value
Magnesium (as TRAACS <sup>®</sup> magnesium bisglycinate chelate <sup>1</sup> )	200 mg	48%

Other ingredients: Citric acid and silicon dioxide.

<sup>1</sup>Albion<sup>®</sup> Laboratories.

#### MCP 10.58 oz. (300 grams) powder

### Magnesium Glycinate Complex

#### Biglycinate chelated magnesium, well-tolerated and easily absorbed

Magnesium bisglycinate chelate is a highly bioavailable form of elemental magnesium that is well-tolerated even by the most sensitive individuals. For many people, the RDA is not sufficient, and most Western diets do not provide optimal amounts of this critical nutrient. Magnesium supplementation has been shown to have a wide range of clinical applications, including supporting healthy muscular and neurological function, cardiovascular and digestive function, and healthy sleep and relaxation.<sup>†</sup>

**SUGGESTED USE:** 1 capsule, 1 to 3 times daily or as directed by a healthcare professional.

Supplement Facts		
Serving Size 1 Capsule		
Amount Per Capsule		% Daily Value
Magnesium (as TRAACS <sup>®</sup> magnesium bisglycinate chelate, magnesium oxide <sup>1</sup> )	100 mg	24%

Other ingredients: Vegetarian capsule (hydroxypropyl methylcellulose, water), magnesium stearate, and silicon dioxide.

<sup>1</sup>Albion<sup>®</sup> Laboratories.

#### V827-10 100 vegetarian capsules

# Inflammation & Immune Support

## Advanced Inflammation Support<sup>†</sup>

### Supports healthy inflammatory response<sup>†</sup>

Advanced Inflammation Support is a combination of herbs designed to modulate the inflammatory response and support healthy lymphatic drainage and the natural clearance of intracellular metabolic waste products. The ingredients in Advanced Inflammation Support beneficially modulate inflammation metabolism and protect against oxidative stress.<sup>†</sup> The formula includes *Stephania tetrandra*, *Boswellia serrata*, luteolin, shown to promote healthy inflammatory response, and holy basil extract, a botanical COX-2 balancer.<sup>†</sup> Other supportive ingredients found in the formula include green tea extract, ginger, and nettle leaf.

**SUGGESTED USE:** 2 capsules twice daily or as directed by a healthcare professional.

Supplement Facts		
Serving Size 2 Capsules		
Amount Per 2 Capsules	% Daily Value	
Stephania Extract ( <i>Stephania tetrandra</i> ) (root)	300 mg	*
Stinging Nettle Extract ( <i>Urtica dioica</i> ) (leaf)	300 mg	*
Holy Basil Extract ( <i>Ocimum sanctum</i> ) (leaf)	250 mg	*
Ginger Extract ( <i>Zingiber officinale</i> ) (root)	200 mg	*
Boswellia Extract ( <i>Boswellia serrata</i> ) (bark gum resin (standardized to 20% 3-O-acetyl-11-keto- $\beta$ -boswellic acid (AKBA)) AprèsFLEX <sup>®</sup> )	60 mg	*
Green Tea Extract ( <i>Camellia sinensis</i> ) (leaf) (standardized to 95% polyphenols, 50% epigallocatechin 3-gallate)(30 mg EGCG)	60 mg	*
Perilla Extract ( <i>Perilla frutescens</i> ) (leaf) (standardized to 90% luteolin flavonoid)	18 mg	*

\*Daily Value not established.

Other ingredients: Vegetarian capsule (hydroxypropyl methylcellulose, water).

<sup>†</sup>AprèsFLEX<sup>®</sup> is a registered trademark of Laila Nutraceuticals, India. U.S. Patent #8,551,496 and other patents pending.

<sup>Δ</sup>Promotes a healthy inflammatory response during the body's natural cycle of physical activity and recovery.<sup>†</sup>

## Inflammation & Immune Support (cont)

### Turmeric 500

#### High-potency Meriva® turmeric phytosome complex

Meriva is a highly potent turmeric extract that is complexed with a phosphatidylcholine to create a “phytosome” which increases curcumin stability and enhances oral absorption by over 20-fold. This unique blend helps to maximize curcumin’s powerful, protective benefits on tissues throughout the body.<sup>†</sup> Turmeric 500 delivers 500 mg per capsule of Meriva phytosome complex for situations in which extra amounts of highly bioavailable curcumin may be useful.

Curcumin, the main active constituent of turmeric (*Curcuma longa*), is a substance known for its powerful antioxidant properties and its influence over inflammation metabolism. Curcumin modulates cytokines and other mediators involved in inflammation metabolism. Known to support musculoskeletal, neurologic, and cardiovascular structure and function, turmeric has a rich history of use and a collection of strong, emerging clinical evidence that suggests it supports in mood balance and healthy inflammation.<sup>†</sup>

**SUGGESTED USE:** 1 capsule, 1 to 2 times daily with food or as directed by a healthcare professional.

Supplement Facts		
Serving Size 1 Capsule		
Amount Per Capsule		% Daily Value
Turmeric Phytosome™ (Curcuma longa extract) (rhizome) (standardized to 18% curcuminoids), Phosphatidylcholine Complex	500 mg	*

\*Daily Value not established.

Other ingredients: Vegetarian capsule (hydroxypropyl methylcellulose, water), silicified microcrystalline cellulose, and calcium carbonate.

<sup>†</sup>Meriva® bioavailable curcumin. Meriva® is a registered trademark of Indena S.p.A., Italy.

CONTAINS SOY.

### TRM5 100 capsules

### ImmunoMax 24/7™

#### Concentrated mushroom extracts and green tea leaf to support balanced immune response<sup>†</sup>

ImmunoMax 24/7 supports immune health with a blend of highly researched and effectively concentrated mushroom extracts combined with the polyphenol nutrient support of green tea.<sup>†</sup> Each tablet of ImmunoMax 24/7 contains over 300 mg beta 1,3/1,6 d-glucan and supplies a range of bioactive compounds that have been shown to potentiate immune response.<sup>†</sup> Grown in the USA under rigidly controlled conditions, these extracts are made with 100% certified organic ingredients.

**SUGGESTED USE:** 2 tablets per day or as directed by a healthcare professional.

Supplement Facts		
Serving Size 2 Tablets		
Amount Per 2 Tablets		% Daily Value
ImmunoMax 24/7™ Proprietary Blend	1.6 g	*
Concentrated extracts of:		
Agaricus blazei, Cordyceps (Cordyceps sinensis), Coriolus versicolor, Maitake (Grifola frondosa), Shiitake (Lentinula edodes), Reishi (Ganoderma lucidum), and green tea leaf.		

\*Daily Value not established.

Other ingredients: Silica, maltodextrin, tapioca syrup, and carnuba wax.

# Coenzyme Q<sub>10</sub>

## CoQH™

### Reduced ubiquinol form of CoQ<sub>10</sub>

Two beneficial forms of coenzyme Q<sub>10</sub> (CoQ<sub>10</sub>), ubiquinone and ubiquinol, are continually recycled in the body. Ubiquinol acts as a powerful antioxidant in mitochondria and lipid membranes.<sup>†</sup> Both ubiquinol and ubiquinone are needed for the efficient production of ATP. This formula is specifically indicated for individuals unable to efficiently reduce ubiquinone. CoQH also contains ubiquinol, solubilized in d-limonene oil and stabilized with natural emulsifying agents, which can be directly utilized by the body.

### 50mg

**SUGGESTED USE:** 1 softgel, 1 to 2 times daily with food or as directed by a healthcare professional.

### Supplement Facts

Serving Size 1 Softgel

Amount Per Softgel	% Daily Value
Ubiquinol <sup>†</sup> (reduced form of Coenzyme Q <sub>10</sub> )	50 mg *

# Coenzyme Q<sub>10</sub>

## CoEnzyme Q<sub>10</sub> (150 mg)

Supports cellular energy, cardiovascular, and neurological health<sup>†</sup>

An essential fat-soluble antioxidant, coenzyme Q<sub>10</sub> (CoQ<sub>10</sub>) is a necessary component in cellular energy production and required for a variety of physiologic functions, including as a cofactor in the electron-transport chain and in the synthesis of ATP. Especially supportive of tissues with high energy requirements, such as the brain and heart, CoQ<sub>10</sub> has been shown in studies to increase immune resistance, support cardiovascular and neurological functions, and preserve immune system health, particularly in the aged.<sup>1</sup> Each vegetarian capsule provides 150 mg of pure ubiquinone.

**SUGGESTED USE:** 1 capsule, 1 to 2 times daily with food or as directed by a healthcare professional.

### Supplement Facts

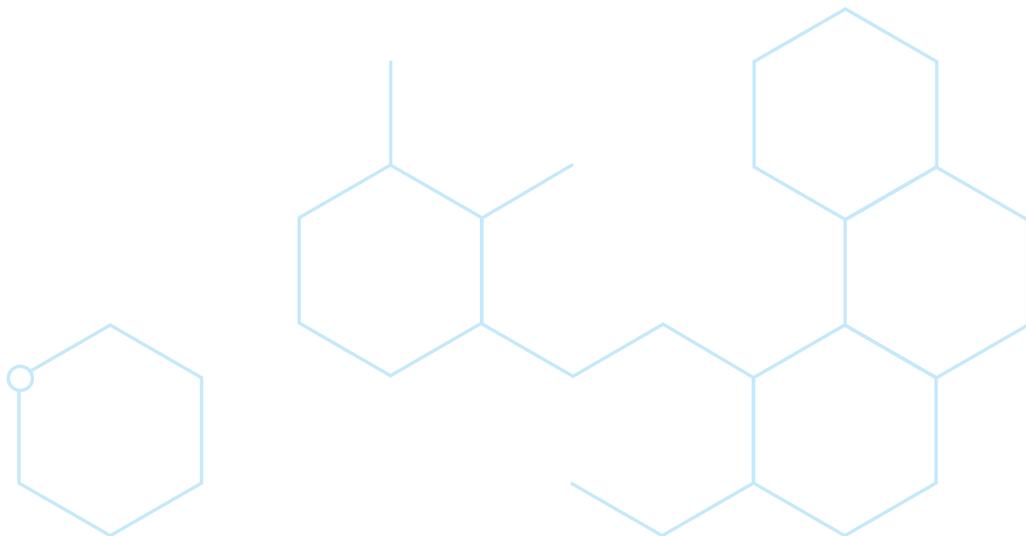

Serving Size 1 Capsule

Amount Per Capsule	% Daily Value
Coenzyme Q <sub>10</sub> (as ubiquinone)	150 mg *

\*Daily Value not established.

Other ingredients: Microcrystalline cellulose, vegetarian capsule (hydroxypropyl methylcellulose, water), and magnesium stearate.

**CP6303** 60 vegetarian capsules

# Stress & Mood Support

## Target gb-X™

A targeted probiotic blend clinically demonstrated to support mood†

Target gb-X is a probiotic supplement specifically designed to support positive mood by influencing the gut-brain axis through the microbiome. It is powered by Ecologic BARRIER, a 5 billion CFU blend of 9 probiotic strains that has been clinically shown to decrease cognitive reactivity to sad mood, rumination, negative thoughts, and aggressive thinking.<sup>3</sup> Heightened cognitive reactivity to sad mood is an established risk factor for more serious mood alterations in otherwise healthy individuals and is therefore considered an important target for interventions.

**SUGGESTED USE:** Dissolve the contents of 1 sachet in approximately 3 to 4 oz. of lukewarm water or mix with a dairy product such as milk or yogurt. Gently stir before consuming. Take on an empty stomach in the morning, before bed, or as directed by a healthcare professional. Suitable for children from the age of 1 year. **Caution:** Do not exceed one sachet per day. When antibiotics are used, wait 2 to 3 hours before using this product. If you are pregnant, nursing, have a medical condition, or taking prescription drugs, consult your healthcare professional before using this product. Keep out of reach of children.

### Supplement Facts

Serving Size 1 Sachet (Approx. 2 g) • Servings Per Container 30

## Stress & Mood Support (cont)

### Cortisol Management<sup>†</sup>

#### Helps the body balance stress hormones<sup>†</sup>

As part of the hypothalamic-pituitary-adrenal (HPA) axis, the adrenal glands are responsible for releasing cortisol (glucocorticoid), which governs the body's response to stress and low blood sugar. Research has demonstrated that maladaptive elevations in cortisol can adversely impact a wide range of functions, including learning and memory, immune function, bone density, blood pressure, and cholesterol, among many others.

Cortisol Management<sup>†</sup> is a unique combination of two patented botanicals that support healthy cortisol metabolism. It contains Relora<sup>®</sup>, a proprietary blend of magnolia (*Magnolia officinalis*) standardized for honokiol content, and Phellodendron (*Phellodendron amurense*) bark. Relora has been shown to help control stress-related eating and to promote relaxation while also being non-sedating.<sup>†</sup> Cortisol Management<sup>†</sup> also contains Sensoril<sup>®</sup>, a proprietary extract of ashwagandha (*Withania somnifera*), which is an ancient restorative and rejuvenating adaptogen that helps the body cope with stress.<sup>†</sup>

**SUGGESTED USE:** 1 capsule, 3 times daily with food or as directed by a healthcare professional.

#### Supplement Facts

Serving Size 1 Capsule

Amount Per Capsule	% Daily Value
Relora <sup>††</sup> (Proprietary blend of bark extracts of <i>Magnolia officinalis</i> and <i>Phellodendron amurense</i> )	250 mg *
Honokiol	4 mg *
Sensoril <sup>†††</sup> Ashwagandha Extract ( <i>Withania somnifera</i> ) (root and leaf)	85 mg *

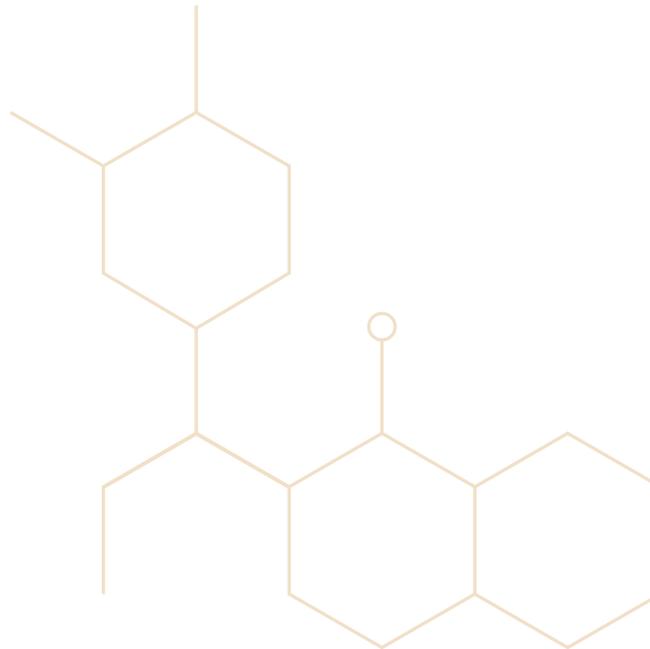

\*Daily Value not established.

Other ingredients: Starch, vegetarian capsule (hydroxypropyl methylcellulose, water), microcrystalline cellulose, and silicon dioxide.

<sup>†</sup>Relora<sup>®</sup> is a registered trademark of InterHealth N.I. Relora<sup>®</sup> brand *Magnolia officinalis* and *Phellodendron amurense* (U.S. Patents 6,582,735 and 6,814,987).

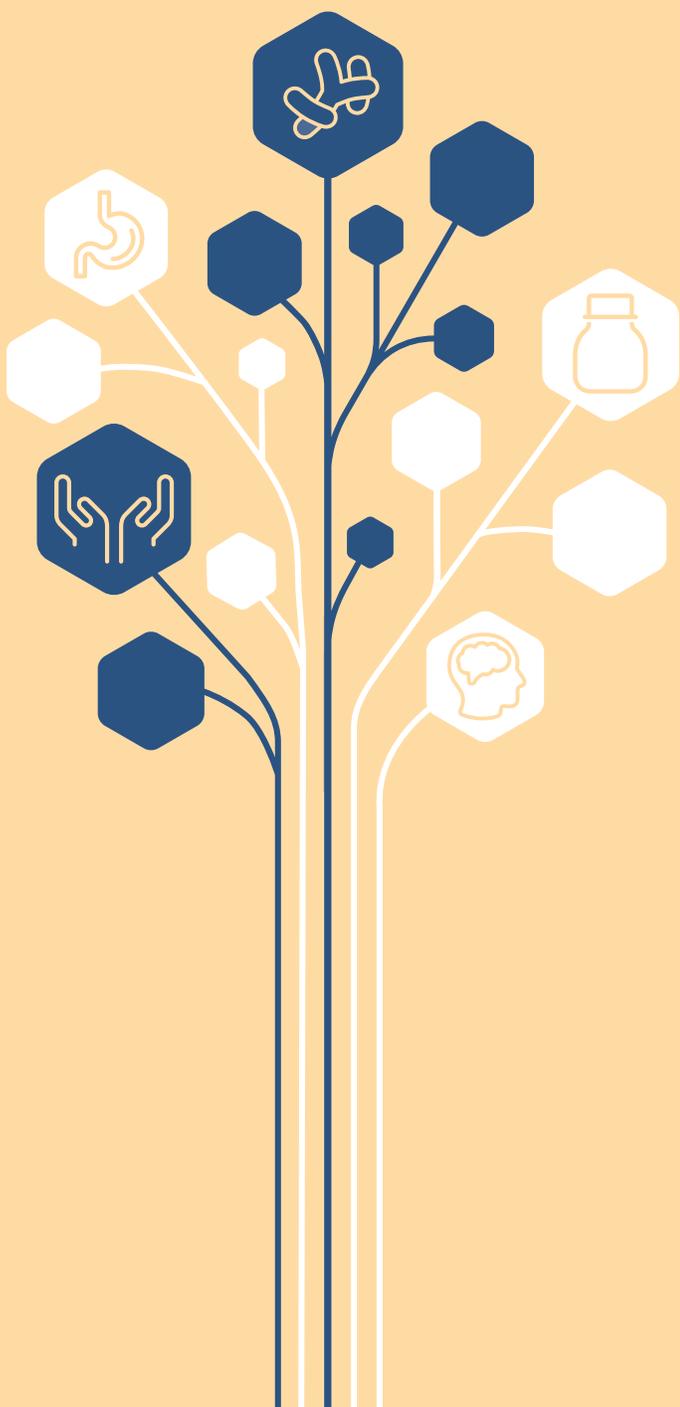

<sup>††</sup>Sensoril<sup>®</sup> is protected under U.S. Patents 6,153,198 & 7,318,938 and is a registered trademark of Natreon, Inc.
